The Sonoco Institute of  
Packaging Design and Graphics  
at Clemson University is hosting  
a celebration of

## **Five Years of Thinking Outside the Box!**

During this event you will hear futurist John Mahaffie's insights to the packaging industry in 2025, learn about on-going student and faculty research projects, explore our industry services and capabilities, and network with students, staff and fellow supporters of the Institute.

Please join us to celebrate the people and partners who provided the vision and the support to make the Sonoco Institute a reality.

**We hope to see you on October 2nd at 2:30!**
